

产品变更通知单
(Product Change Notice)

PCN 编号 Number of PCN	PCN-MYC-2021-S05		通知日期 Date of Notice		2021/11/5	
产品名称 Product Name	MYC-C8MMQ6-V2(全系列)		产品信息 Product Info		此产品是基于i.MX8M Mini处理器设计的核心板 This product is based on the i.MX8M Mini processor design core board	
产品型号 Part Number	MYC-C8MMQ6-V2-8E2D-180-C MYC-C8MMQ6-V2-8E2D-160-I					
变更类型 Change Type	√	元器件变更 Material Changes	□	设计及工艺变更 Design and Process Changes	□	外观变更 Change of Appearance

一、变更内容说明 Description of Changes

变更序号 No.	位号 Designator	变更前 Original Design	变更后 Design after Change	变更说明 Description	变更原因 Cause of Change
1	U6	AR8035 (PHY IC)	YT8511(网络PHY IC)	千兆以太网YT8511代替AR8035 The Glgabit Ethernet YT8511 replaces the	AR8035严重缺货, 导致 不可持续供货

二、变更影响说明 Impact of Changes

变更序号 NO.	对米尔产品的影响 Impact on MYIR Product	对底板设计影响 Impact on Customer Base Board
1	经测试: 对产品功能, 性能基本无影响, 高温可以达到75°C, 元器件外观稍有不同。 Test: it has no effect on product function and performance, high temperature can reach 75°C, and the appearance of components is slightly different.	对底板硬件设计, 无影响, 软件依据指导文档调整。 No influence on the hardware design of the baseplate, the software is adjusted according to the guidance document.

三、变更生效及供货 Effective Date and Product Supply

生效时间 Effective Date	由通知日期 Date of PCN Notice	原产品最后批次购买 Last Time Buy	不支持/NA
------------------------	-----------------------------	----------------------------	--------

订购说明 Ordering Notice	货物可定，产品料号由MYC-C8MMQ6-V1.3变更为MYC-C8MMQ6-V2版本。 Product orderable, part numbers of related products change from MYC-C8MMQ6-V1.3 to MYC-C8MMQ6-V2 accordingly.
-------------------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------

四、产品变更支持 PCN Support

如您关于本次变更有任何商务或技术问题，请您联系您对应的销售，或邮件至 support@myirtech.com(国外客人)/support.cn@myirtech.com(国内客人)，我们将为您提供解答以帮助您顺利实现产品变更。
Please contact your sales contact in MYIR if you have any questions on this PCN and to get support, or please email to support@myirtech.com(Overseas Customer) /support.cn@myirtech.com(Chinese Mainland Customer). We will provide full support to assist you to validate and implement the product change.
